CRUISIN'

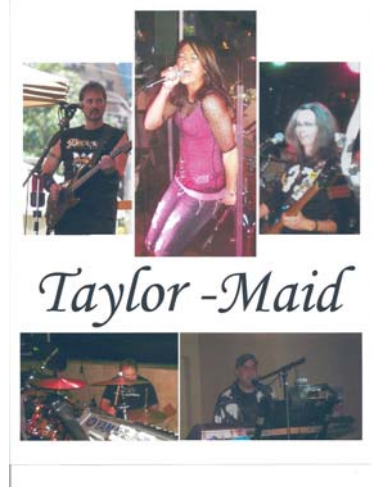

The Band Cruisin' was founded by lead singer and sax player, Ron Howard in 1986. It's rare in this business to find a group that has been together for over 20 years. Their success can be attributed to five dedicated musicians who have lived and breathed the music of Motown and Classic Rock-n'-Roll and performing the hits of the 50's through the 80's with a style, flair and sound, second to only that of the original artists. <http://www.thebandcruisin.com>
